

# The Harvest

"Like cold water to a weary soul is good news from a distant land." (Proverbs 25:25 NIV)

## Mobilization for the Harvest

At EvaSUE... we are so excited for the New Year- 2023! We want to see God do great things on college campuses throughout the country that can reach into the nations.

We have been busy in January with many activities across regions.

One big activity for us was training new staff who will focus on mission mobilization. This project is implemented in partnership with our long-time partner, Horn of Africa Evangelical Mission Engagers (HO-ME).

Abenezer Abel is one of the new nine staff we've been training. Abenezer grew up in the Woleta area of southern Ethiopia. His family was a Christian family. Before he was born, his family had suffered alot during the Derg regime for sharing the gospel. When his mother was pregnant with him, there was an accident with electricity that caused her to have a big medical problem. But through people praying, she became well and that is why they gave Abenezer his name, which means "gift of God." Abenezer's family dedicated all the children in the family (5 boys, 3 girls) for the service and purpose of God.

## Updates

- Praise the Lord for providing the ministry with the new Campus Mission Mobilizers.
- We have learned that more than 400 people came to Christ in December, praise the Lord for advancing His kingdom
- We had a successful time of consultation with the Regional Coordinators.

When Abenezer was in grade nine, he promised God he would give his life for the kingdom of God and mission work. He prayed God would open up that path for him.

Abenezer went to University in Bahir Dar and studied mechanical engineering. During his time on campus, he became involved in EvaSUE and became a fellowship leader. He was able to grow as a leader and his passion for seeing people come to Christ grew. He also was involved in a local church and also saw the impact of the gospel and what happened when people were mobilized for mission. He knew this was what he wanted to give his life to.

## Prayer Requests

"The prayer of a righteous person is powerful and effective." (James 5:16 NIV)

We invite you to pray with us over the following topics;

- Pray for the upcoming Regional Leadership Summits (RLSs), in which we will gather students' leaders in 8 regions. Please pray for financial provision and ease of transport for our students as they gather.
- Pray for our Regional Staff Retreats which will happen in most of our regions after the RLSs.
- Pray for our Regional Inductive Bible Study Trainings which will happen in parallel with the RLSs.
- Please pray for our Supremacy of Christ Conferences which will be conducted in Addis Ababa and other regional towns.
- Pray God will give us personnel at the Director level for Resource Mobilization and the Associates Ministry.

He is very excited about mission mobilization through EvaSUE and asks you to pray for him. He wants to be used in great way by God in the time ahead. He hopes to one day be a missionary in India.

Please keep all our new campus staff focusing on mission mobilization in your prayers as we launch them into the regions in the coming days. We know the harvest is ripe! May we continue to mobilize more workers!

## Thank You!

Dear Partners,

"In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus." (Philippians 1: 3-6 NIV)

The testimony that we shared in this newsletter is one among thousands. We always praise the Lord for thousands of new Christ followers every year, and for tens-of -thousands of students getting disciplined, and for the tens-of -thousands of future leaders produced every year.

We thank you for being part of this work, and we hope that our partnership will grow in breadth and width in the future.

Robel C. Disasa  
General Secretary
