

The Harvest

"Like cold water to a weary soul is good news from a distant land." (Proverbs 25:25 NIV)

Stepping Up and Returning to Campus... It's Time!

The month of October at EvaSUE was busy.

We've been readying for the new school year ahead and for students to return back to their campuses. Staff have been meeting to dream together and they have been submitting annual plans for review.

It's time to return. Campuses are opening their doors. It's time to step up and lead; serve and love; and be faithful witnesses of the kingdom on college and university campuses around the country!

The National Service Center in Addis was excited to ask Frehiwot Feleke to step up to serve as a Student Ministry Officer for the coming school year. Her almost seven years of serving with EvaSUE have been a story and testimony of commitment! Her leadership and humility, her wisdom and courage, to do her best in difficult areas have not been unnoticed!

Fre says she was a campus student at Woldia University and she was inspired by the lifestyle and witness of the EvaSUE staff who were serving at her campus.

She became an evangelism leader in her campus fellowship and then a main leader. This was shocking for her because she describes herself as very shy. She says she often felt afraid and discouraged like Moses... but God's grace was with her and she continued to step up in leadership as she saw God at work in her life and in the lives of those around her.

After graduating, Fre became EvaSUE campus staff for three years in the same area. She helped lead students to Christ and her fellowship was active in advancing God's kingdom on campus and off campus. She then became the EvaSUE Northeast Regional Coordinator for three years. She says she was able to lead because EvaSUE gave her good training and the chance. She was able to grow in confidence because she also saw God's strength at work in her weaknesses and God grew her abilities. While Regional Coordinator, she was responsible for the pastoral care of eight campuses. God continued to use her in great ways in a very difficult area of the country!

As a Student Ministry Officer for the coming school year, now based in Addis, she will be over four entire regions of the country. She says she is humbled by the continued chances EvaSUE and God have given her to serve in this way. She says EvaSUE changed her life and helped her grow in her understanding of scripture, missions and leadership. She has a deep passion for the harvest and to do God's will. She wants to be in God's will for the rest of her life. We are excited to see what God will continue to do in Fre's life and we are so blessed to have her continuing in EvaSUE!

This is what we at EvaSUE desire ... to raise up a young generation of leaders who are willing and able to lead when called on! Who, despite age or background, rise up to lead not just hundreds, but thousands, with courage and humility as a faithful witness of the kingdom!

Please keep Fre and others in prayer as they step up and do the work of ministry where God has placed them.

Prayer Requests

"The prayer of a righteous person is powerful and effective." (James 5:16 NIV)

We invite you to pray with us over the following topics:

- Pray for the new staff who were recruited at the NLS and NMS, as they are interviewed this month, that God will give us wisdom to fill gaps with the right students and that we will get them trained and launched effectively in the time ahead.
- Pray for curriculum, Bible studies, calendar planning, and for the website... as we update and move forward... may we do these with God directing our steps
- Pray for Ethiopia... for the recent peace agreement just signed, that this agreement will hold, and that conditions in the country will improve, as well as the economy.

"Don't let anyone look down on you because you are young, but set an example for others in speech, in conduct, in love, in faith and in purity..." (2 Timothy 4:12)

Please pray with us that this school year is one where God anoints these students to ignite a movement that will impact Ethiopia and reach into the nations for the gospel! Let it be God!
